Mobility Master

The Mobility Master is yet another engineered solution from Darnell-Rose, the innovator in high quality American made Casters and Wheels.

Mobility Master is engineered to safely transport equipment with legs into a desired floor location. Just place one Mobility Master under each leg of the equipment, and effortlessly roll it in place. The robust recessed center cup configuration keeps the leg from sliding off during movement. Once the equipment is in its desired location, lift the unit, slide the Mobility Master clear of the leg, and set the equipment into place.

Mobility Master is made using a solid steel construction, with an expertly welded cup designed to comfortably handle your most valuable equipment. Choose from a variety of Darnell-Rose's medium to heavy duty caster configurations to create a mobility solution that fits your needs. Like all the many different products Darnell-Rose manufactures here in the USA, this product is built to last through years of continuous use.

Mobility Master

Mobility Master is currently offered with 3 different caster series configurations (shown below) designed for low overall height and the heaviest load capacities offered in the industry.

****Triangle Base Size 12.500****

****Recessed Cup Inside Diameter is 4.000****

Wheel Dia	Tread Width	Load Capacity	Wheel Material	Wheels per Caster	Bearing Type	Caster Description	Aprox Weight	Overall Height	Overall Recessed Height
-	-	2000	N/A	0	N/A	MobiityMaster-Base (no casters)	10 3/4 lbs.	2.300	** 2.000 Cup Depth **
2	7/8	750	Neoprene (Donut)	2	Ball	MobiityMaster-32-XDN-RD	15 lbs.	3.375	1.375
		750	Neoprene	2	Ball	MobiityMaster-32-XDN	15 lbs.	3.375	1.375
		900	Hard Rubber	2	Ball	MobiityMaster-32-XH	15 lbs.	3.375	1.375
		1200	Advanced Elastomer	2	Ball	MobiityMaster-32-XAE	15 lbs.	3.375	1.375
2.5	7/8	750	Neoprene	2	Ball	MobiityMaster-32-1/2-XDN	15 1/2 lbs.	3.875	1.875
		950	Hard Rubber	2	Ball	MobiityMaster-32-1/2-XH	15 1/2 lbs.	3.875	1.875
		1050	Hi-Cap-Neoprene	2	Ball	MobiityMaster-32-1/2-XKN	15 1/2 lbs.	3.875	1.875
	1 1/4	900	Advanced Elastomer	1	Ball	MobiityMaster-62-1/2-XAE	15 lbs.	3.875	1.875
3	1 1/4	600	Neoprene	1	Ball	MobiityMaster-63-XDN	15 3/4 lbs.	4.500	2.500
		750	Hi-Cap-Neoprene	1	Ball	MobiityMaster-63-XKN	15 3/4 lbs.	4.500	2.500
		1200	Advanced Elastomer	1	Ball	MobiityMaster-63-XAE	15 3/4 lbs.	4.500	2.500
	2	2000	Advanced Elastomer	1	Precision Ball	MobiityMaster-83-PXAE	21 1/2 lbs.	4.625	2.625

World class quality, unmatched performance, and nearly 100 years of providing solutions for your mobility needs is the reason you should put your trust into Darnell-Rose casters, wheels, rubber bumpers, industrial truck couplers, and conveyor systems.
